### **About This Game**

This is a flight shooting game with RPG growth factor. If you are not 18 years old, Do not download the game plz, Because there are R18 content in the game.

The role that you control is the white dragon's daughter who will resist the evil dragon and protect the Dragon Kingdom's national treasure "Dragon Tears" according to the dragon's witch's instructions. At the beginning, the small white dragon's power is not strong. But with constant fighting and collecting a lot of Dragon's Souls, her bullets, attacking methods and special skills will be improved.

Please use your power to expel the evil dragon lurking around the Dragon Kingdom and maintain the peace and tranquility of the Dragon Kingdom.

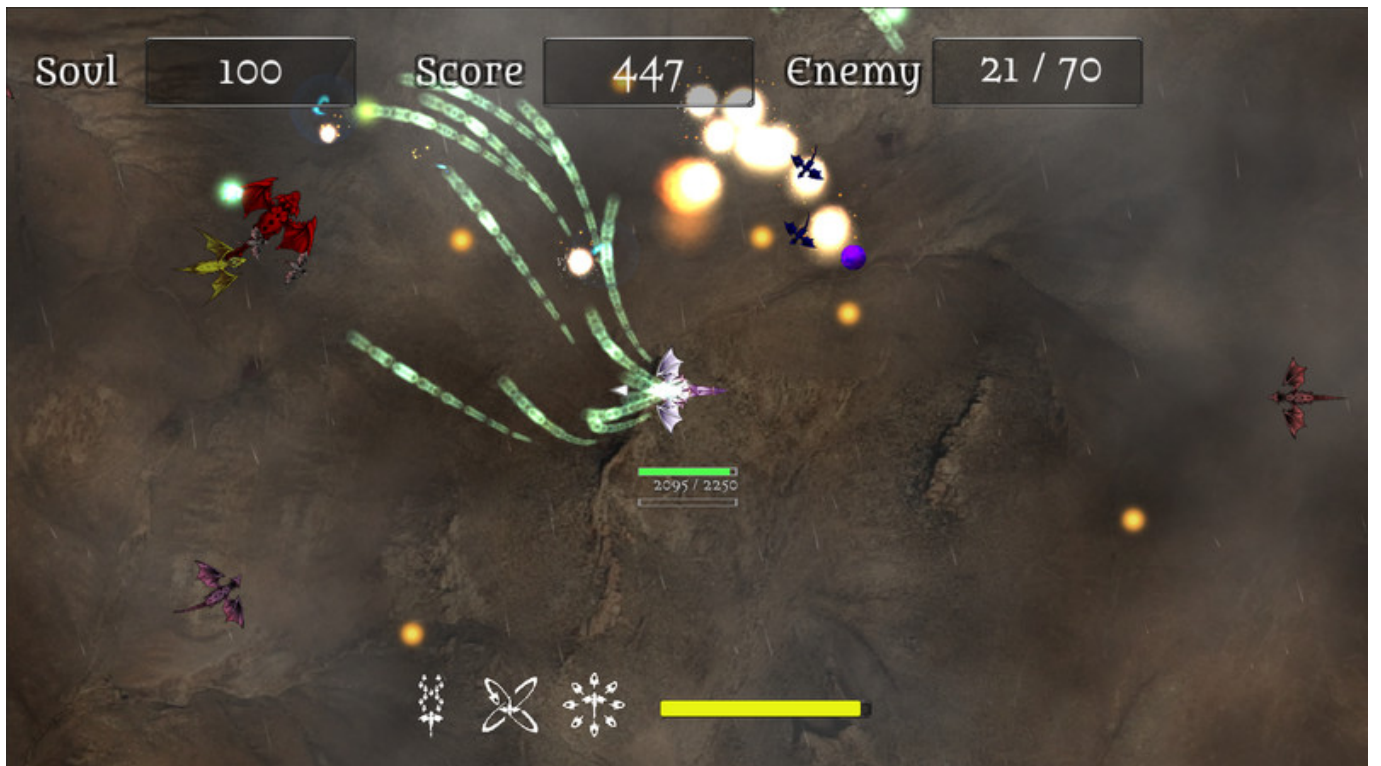

A special "thank-you" to Mosses and [REDACTED] for their exceptional work on the Korean translation.
